

VENDED GALAXY™ 600 CONTROLS BASIC & EASY SOLUTIONS

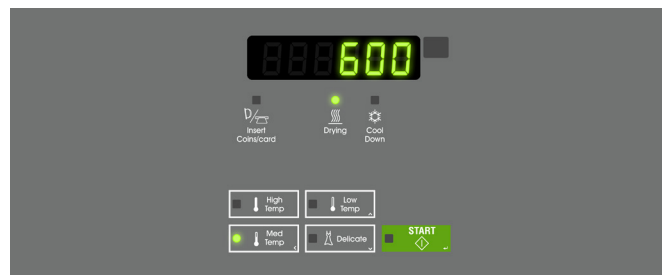

GALAXY™ 600: THE PINNACLE OF CONVENIENCE & CONTROL

Galaxy controls make life easier for both laundromat owners and customers with intuitive operation, simple programming and easy-to-understand diagnostics and reports. Your laundry is selling convenience and a high-quality wash and dry. With Huebsch Galaxy™ 600 controls, your laundromat gives customers a user-friendly platform and the flexibility to tailor cycles the way they like. Best of all, that flexibility brings additional revenue-generating opportunities.

WASHER-EXTRACTOR CONTROL

TUMBLE DRYER CONTROL

Galaxy™ 600 benefits include:

- 200 G-Force final extract to reduce drying times, lower utility bills and increase customer satisfaction
- 24 Wash cycle combinations for customers to choose from
- Multi-level vend and cycle modifiers to increase revenue
- Four optimized drying cycles
- Time-of-day pricing to help manage peak-period business and attract new customers
- Digital display keeps customers aware of the cycle time remaining
